§ 275.172 Return to nontaxpaid status, action by taxpayer.

The taxpayer shall group the articles according to the rates of tax applicable to the articles, and shall prepare a schedule of the articles, on ATF Form 3069 (5200.7), in triplicate. All copies of the schedule shall be forwarded to the

regional director (compliance) for the region in which the tobacco products and cigarette papers and tubes are assembled.

(b) *Large cigars.* Refund or credit of tax on large cigars withdrawn from the market is limited to the minimum amount applicable to that brand and size of cigar during the required record retention period (see § 275.22) except where the importer establishes that a greater amount was actually paid. For each claim involving large cigars withdrawn from the market the importer shall include a certification on either ATF Form 3069 (5200.7) or ATF Form 2635 (5620.8) to read as follows:

The amounts claimed relating to large cigars are based on the lowest (insert either "wholesale price" or "sale price", as applicable) applicable to the cigars during the required record retention period, except where specific documentation is submitted with the claim to establish that any greater amount of tax claimed was actually paid.

Subpart J—Records and Reports

SOURCE: T.D. ATF-40, 42 FR 5007, Jan. 26, 1977, unless otherwise noted.

§ 275.181 Records of large cigars.

Every person who imports large cigars for sale within the United States shall keep the records required by this section.

(a) *Wholesale prices*—(1) *Basic record.* The importer shall keep a record to show each wholesale price (suggested delivery price to retailers or wholesale price as determined by the Associate

Director (compliance operations) under § 275.39(i)), which is applicable to large cigars removed (entered or withdrawn). No later than the tenth business day in January of each year the importer shall prepare such a record to show the wholesale price in effect on the first day of that year for each brand and size of his large cigars. However, for the year 1977 the record shall be prepared no later than the tenth business day in February, to show the prices in effect as of February 1, 1977. The importer shall thereafter enter in the record the wholesale price and its effective date for any large cigar removed (entered or withdrawn) which was not previously entered in the record, and any change in a price from that shown in the record, within ten business days after such removal or change in price. The record shall be a continuing one for each brand and size of cigar (and type of packaging, if pertinent), so that the taxable price on any date may be readily ascertained.

(2) *Copies of price announcements.* The importer shall retain a copy of each general announcement which he issues within his organization or to the trade about establishment or change of large cigar wholesale prices. If the copy does not show the actual date when issued it shall be annotated to show this information, and it shall also be annotated to show the date on which a copy was submitted to the Associate Director (compliance operations) in accordance with § 275.183.

(3) *Copies of entry and withdrawal forms.* The importer shall keep a copy of each customs entry or withdrawal form on which internal revenue tax for large cigars is declared pursuant to § 275.81.

(4) *Alternative record.* If an importer has so few import transactions and/or brands and sizes of large cigars that retention of an appropriate copy of each entry and withdrawal form required under paragraph (a)(3) of this section will provide an adequate record of wholesale prices, then the record required under paragraph (a)(1) of this section need not be kept. In such case the entry and withdrawal forms must identify the brands and sizes of cigars covered and show the corresponding quantity and wholesale price for each.
